- 1- Enter the Central bank website (www.cbj.gov.jo) and then click “Saving Bonds for Individuals”
- 2- Click on the “Applications Submission” icon.
- 3- Choose the issue put forward for subscription and review its conditions. Afterwards, click the “Continue to submit the application”

- 4- Fill out the required data, taking into consideration the need to ascertain that they are entered correctly.
(Note that the information related to the address, postal code, and landline phone number is optional). Kindly consider that the national number must be entered for Jordanians, and the passport must be uploaded for non-Jordanians.
- 5- After the data are filled, kindly read the conditions and terms accurately and accept them in case you wish to proceed through with the application through clicking the icon “I hereby acknowledge the pieces of information mentioned below.” (Note: agreeing to the conditions and terms is considered an affirmation of acceptance by the subscriber).

6- Enter the security code as shown on screen.

7- Once the application submission is completed, a message will appear containing the submitted application's data, most importantly the **subscription process reference number** which will be used for the purposes of paying the value of subscription via the payment method chosen during the submitting of the application. Furthermore, a text message (SMS) will be sent to the mobile number which was entered.

8- Click "Print the Application" to obtain a hardcopy of the submitted application.

Important note: the subscription value must be paid within the period set in the issue conditions, otherwise the application is deemed cancelled.

Second: Application Submission for Adolescents:

The application submission for adolescents is conducted on the same application screen and with the same steps for adults mentioned in Item First, in addition to the entering of the national number of the guardian.

Third: Inquiry on the Subscription Applications or their cancellations:

1- You may inquire on and print out your accepted application through the query screen on the electronic portal , where you may execute the query through:

- The national number for Jordanians and the passport number for non-Jordanians.

And/or

- The account number (IBAN) or the process reference number (the subscription process reference number which will be used for the purposes of paying the value of subscription).

2- After the execution of the query process, the screen will show the following options:

- Print out the application.
- Deletion of the application if the subscription value is not paid.
