### **Circular to licensed banks**

**After Greetings,,**

With reference to the Automated Teller Machine Instructions No. (6/2018) on 11/4/2018, I decide to amend the provisions of Article (7) Clause (D) of these instructions to become as follows:

"Printing the authorization number for the transaction that was performed through the ATMs on the receipts extracted from it, or providing the transaction authorization number to the customer through another appropriate means, for example, but not limited to (online banking or by SMS)."

**Respectfully,,**

**Governor**
