**Circular to all banks operating in the Kingdom and the financial companies
subject to the supervision of the Central Bank of Jordan**

After Greetings,

Recently, the phenomenon of promoting dealing in a cryptocurrency called Dagcoin has been observed, in addition to that there is a number of shops in the Kingdom accepting payment in this currency.

Therefore, I confirm what was stated in our Circulars No. (1/1/5/2451) dated 20/2/2014 and No. (10/3/3777) dated 14/3/2018, regarding the prohibition of all forms of dealing in all types of cryptocurrencies, including the above currency, whether directly or indirectly. This shall include buying, selling or exchanging them, as well as dealing in futures contracts or investing in investment funds or index funds for these currencies, whether in the interest of banks or companies or for the benefit of customers.

Respectfully,

Governor

Dr. Ziad Fariz
