◆ Domestic Revenues

Domestic revenues witnessed a decrease of JD 714.8 million, or 11.2 percent, in the first eleven months of 2020, compared to the same period of 2019, to reach JD 5,639.7 million. This decrease was an outcome of the drop in the proceeds of “other revenues”, and “pension contributions” by JD 973.3 million, and JD 1.5 million, respectively, and the increase in “tax revenues” by JD 260.1 million. This is due to the closure imposed by the government on the public and private sectors to face the COVID-19 pandemic.

● Tax Revenues

Tax revenues increased by JD 260.1 million, or 6.1 percent, during the first eleven months of 2020, compared to the same period of 2019, to reach JD 4,511.8 million (80.0 percent of domestic revenues). Following are the main developments in tax revenue items:

- An increase in the proceeds of **general sales tax on goods and services** by JD 255.5 million, or 7.6 percent, to reach JD 3,180.5 million, accounting for 70.5 percent of total tax revenues. This result was driven by the increase in the proceeds of sales tax on domestic goods by JD 315.2 million, and on commercial sector by JD 7.2 million, and on imported goods by JD 4.9 million. However, the proceeds of sales tax on services were down by JD 101.9 million.

- An increase in the proceeds of **income and profit taxes** by JD 67.3 million, or 6.9 percent, to reach JD 1,040.6 million, accounting for 23.1 percent of total tax revenues. This increase came mainly as a result of starting the collection of revenues under the national contribution account item at the beginning of 2020, which was included in the Amending Law of Income Tax Law, which amounted to JD 65.8 million. Moreover, the proceeds of “income taxes on individuals” increased by JD 24.3 million, or 11.2 percent, to reach JD 241.0 million, while the proceeds of income taxes on companies and projects decreased by JD 22.8 million, or 3.0 percent, to account for 70.5 percent of total proceeds of income and profits taxes, amounting to JD 733.9 million.
- A decrease in the proceeds of **taxes on financial transactions (real-estates tax)** by JD 32.5 million, or 46.2 percent, to reach JD 37.8 million.
- A decrease in the proceeds of **taxes on international trade and transactions** (including customs duties and fees) by JD 0.2 million, or 0.1 percent, to reach JD 252.9 million.
